**Managing Safety and Health in Schools (International) Fact Sheet**

<b>Background</b>	
Course Rating (By Learners)	■■■■■■■
Course Title	Managing Safety and Health in Schools (International)
Course #	116
Course Publisher	Advance Learning (More courses from this publisher)
Course Category	Health & Safety & Compliance
Content Origin	Health & Safety Authority
Course Description	School principals, managers and teachers should know about health and safety when engaged in work or as future members of the workforce. This short course introduces the management of school safety and health. Health and safety in the workplace or school is the responsibility of everyone - managers, teachers, employees, and the students. This free online course covers, in a general way, various health and safety regulations.
