Course Description	This free online course shows you how to use the online mind mapping tool bubbl.us. A mind map is a diagram used to represent words, ideas, tasks, or other items linked to and arranged around a central key word or idea. Mind maps are used to generate, visualize, structure, and classify ideas, and as an aid to studying and organizing information, solving problems, making decisions, and writing. This course is ideal for learners who want to use a mind mapping tool such as bubbl.us but lack the skills or knowledge to do so.
